Ladies and Gentlemen:

Montana Fish, Wildlife and Parks (FWP) is proposing to purchase a 0.73-acre parcel of undeveloped private land adjacent to its existing Region 6 Headquarters in Glasgow. The purpose for acquiring this property is to secure space for a visitors parking lot that can accommodate vehicles pulling a boat, camper or trailer and provide FWP staff a safe location to inspect out-of-state boats for Aquatic Invasive Species. Expanding visitor parking onto this lot would also open more space on the existing Headquarters lot to construct a better functioning shop area, a public conference room and improve office space. Any future improvements on these properties would be required to meet all local, state and federal government regulations.

The comment period will be open from April 24, 2019 to May 24, 2019. A Draft Environmental Assessment (EA) has been prepared by FWP and is available at: <http://fwp.mt.gov> under public notices. Please submit any comments you have by 5:00 P.M., May 24, 2019 to: FWP, 1 Airport Road, Glasgow MT, 59230. You can also email comments to katsmith@mt.gov. Hard copies are available by calling (406) 228-3700.

Sincerely,

Mark G. Sullivan
Region 6 Supervisor
